FBM and FA Now Are Affiliated Member of Association to Advance Collegiate Schools of Business (AACSB)

Faculty of Business Management and Faculty of Accountancy are pursuing accreditation with the Association to Advance Collegiate Schools of Business (AACSB), a premier US-based accrediting agency for business and accountancy school. This accreditation will place UiTM's business and accountancy programs at par with some of the finest universities in the world. The accreditation process involves a comprehensive assessment of the Faculty's teaching and research activity, academics and strategies for the advancement of the business and accountancy programs.

The idea of getting AACSB accreditation was initiated by Vice Chancellor, Tan Sri Dato' Seri Prof Dr Ibrahim Abu Shah. God willing, with the full support from Tan Sri VC and the commitment of two faculties, the first step of accreditation, that is being admitted as a member of AACSB, is completed. UiTM now is officially an affiliated member of AACSB International. The two faculties are now gearing up for the next several steps towards full accreditation of AACSB.
